Note: Transfers are not allowed on existing Credit Human loan products. Balance transfers are subject to finance charges as of the date the transfers are posted to your credit card account. Continue to make your payments on the accounts above until the payment for the transferred amount appears on your statement. Check(s) will be sent directly to your creditor(s). Balance transfers and balance payoffs will not result in closure of your other credit card(s) and/or loan(s). You must notify the institution directly to request account closure. Transfers will not be initiated in excess of your credit limit. Cash back and bonus point rewards are not earned on balance transfers. Your balance transfer request is subject to approval based upon your account being in good standing at the time of your request.

To view your current rate please refer to the *Application and Solicitation Disclosure* that matches your credit card. This can be found at [CreditHuman.com/Privacy](https://www.CreditHuman.com/Privacy).

I authorize Credit Human to make a payment to the above mentioned creditor(s).
